

Event Guide for Attendees

Getting to know the ins-and-outs of the tech
that powers the Lunchpool experience

1. Getting your device ready before the event

One-click System Test

[HTTPS://GEARTEST.REMO.CO](https://geartest.remo.co)

Remo is our technology platform and powers the back-end of our virtual networking experience. Test your microphone, camera, speakers, browser, hardware and internet connection on this page.

This is essential to have an enjoyable event experience

Camera & Microphone Settings

To get the full experience of connecting with others, we recommend using a device with a camera and microphone.

Optimize Your Experience

For the best experience, we recommend following these steps:

- ✓ Close all other video applications, as well as memory-intensive programs (especially in Windows 10)
- ✓ Close other browser windows
- ✓ Close other tabs in your browser
- ✓ Connect to the internet using a wired connection (faster and more stable than WiFi)
- ✓ When possible, use your Desktop/Laptop rather than Mobile phone

Table 1 | Table 2

The image shows a multi-step tutorial overlay on a meeting interface. The first step, titled 'This chat panel opens to the right', shows a chat panel on the right side of the screen with a red dashed box around the close button (an 'X' icon) and a dashed arrow pointing to it. A green mouse cursor is shown pointing at the top right of the screen. The second step, titled 'You can move freely from table to table by double clicking on it', shows two table icons labeled 'Table 1' and 'Table 2'. 'Table 2' is highlighted with a red dashed box, and a dashed arrow points to it from the text. The background shows a grid of 16 table icons, a 'Let's get started' button, and a 'Skip and never show again' link. At the bottom, there are icons for 'Chat', 'Share screen', 'Whiteboard', and 'Leave event'. The chat panel on the right lists 'General Chat' and 'Table Chat: First table' under 'PUBLIC CHAT', and 'Hanna' under 'PRIVATE CHAT'.

To enjoy this event you need to turn on your camera & microphone!

You are about to enter into a Remo event - an immersive video platform that allows people to connect face-to-face.
